

Community Organization Activity Station Application

The annual Chowchilla Easter Egg Scramble has an opportunity for you to connect with the community at this FREE community event.

In addition to the egg hunt scrambles and other activities for kids, we invite non-profit community organizations and public agencies to set up an information booth promoting their programs and services. As part of the information booth, we ask that a simple and fun activity station be set up for the kids. Examples include a Jelly Bean count contest, a bicycle raffle, Spin-the-Prize Wheel, Bean Bag Bunny Toss, coloring pages, etc. Numerous simple activity ideas can be found from many resources. Contests can be offered, prizes can be won, BUT we must stress that any funds collected must be intended to return to the community in some form of benefit ultimately. In other words, NO FOR-PROFIT SALES ARE ALLOWED.

Simply fill out and return this application to register a community service agency, group, club, or organization. It can be returned in person or by mail to Chowchilla City Hall, c/o Easter EGG Scramble, 130 S Second St., Chowchilla, CA 93610, or by email, the completed form to CommunityOutreach@CityofChowchilla.org.

If you have questions, send an email to CommunityOutreach@CityofChowchilla.org, or call (559) 665-8615, ext. 110.

You will be fully responsible for developing the activity station providing supplies, table(s), chairs, and volunteers to operate it. Be sure to bring information about your programs to give to attendees if you choose.

Please know that we cannot allow any food sales at the event unless you have a Madera County Health Permit. No on-site cooking or homemade foods can be sold, Beverages can be sold as long as they are packaged in original containers (plastic bottles or cans).
